+1(780) 908-2508

My goal is to work with interesting and inspiring people on meaningful projects. Magazine and publication design are what interests me most, but I also enjoy working on lots of other kinds of design: print design, interactive design, identity design etc.

Education

Bachelor of Design, with distinction
University of Alberta
2003–2007
Major in Visual Communication design, minor in Business and Marketing

Work Experience

Venture Publishing Inc. 2008–present
Assistant Art Director
Art direction for *Alberta Oil* and *Alberta Venture* magazines: layout, commissioning, design and production. Also was the sole designer for *unlimitedmagazine.com* for 6+ months: commissioned and created art for editorial, conceptualized and produced intricate flash pieces. Produced a multitude of marketing pieces: posters, invitations, flash pieces, websites, booklets, print & web ads, logos and identities.

U of A Students' Union 2006–2008
Graphic Designer
Designed large scale campaigns, rebranding and identity creation, website design, publication design, retail and restaurant design.

Freelance Work

We Eat Together cookbook, November 2009
Cookbook featuring local farmers & producers: book layout and design, print production
Where Are You From? Poster Show, October 2009
Booklet design and layout
Unisource 2010 Calendar with Fort Friendship, July 2009
Personal image based on the quote “Nothing is worth more than this day”
Filistix Mobile Kitchen, May 2009
Identity design, cart decal design, website design and development
Pecha Kucha, September 2009
Poster & ticket design
Royal Bison craft fair, February 2009
Designed, silk-screened, and hand bound one-of-a-kind notebooks
Display magazine, January 2009
“Comic Sans” graphic
Be a Lover, Not a Fighter campaign, September 2008
Campaign for the City of Edmonton, art direction, poster and website design

Skills & Specialties

Proficient in Adobe Creative Suite, Microsoft office, pretty good knowledge in Dreamweaver, Flash, Filemaker. Good photography and print production skills.
